GEASSOCIATES

Council Tax & Business Rates Consultants

Helping you navigate through the complex maze of council tax & business rates

GEASSOCIATES

Business Rates & Council Tax Consultants

We provide a specialist bespoke solution, acting for housing associations, property developers and not for profit organisations.

Our team reviews both historic and current accounts identifying the errors and anomalies on both domestic council tax and non-domestic business rates accounts.

We have designed & created an inhouse bespoke database which when combined with our expertise & knowledge gives our clients a comprehensive review of their properties and liabilities.

Our Services

Council Tax Relief

Housing associations and not for profit organisations could save up to 100% of their rates liability.

Historic Rates Audit

We identify discrepancies in the way councils calculate rate liability and interpret legislation.

Business Rates Reliefs

Legislation is constantly changing and being implemented, we keep you ahead of the curve.

Empty Rates Relief

Are you paying rates on empty properties? We can implement our empty rates mitigation strategy.
